The image shows a 3D rendering of a smartphone with a dark blue case, displaying a financial management app. The screen has a dark background with orange and yellow accents. At the top, the status bar shows the time 16:08, signal strength, and battery level. The app interface includes a title '老板' (Boss) and a subtitle '今日收入 RM' (Today's Income RM). The main display shows a large balance of 9139.33 and a total income of 518,480,736.00. Below this, there are four cards: '总订单数' (Total Order Count) with a value of 5, '入账单' (Invoice) with a value of 7, '人均消费' (Average Consumption) with a value of 19.91, and '顾客数量' (Number of Customers) with a value of 3.69. A line graph titled '日趋势' (Daily Trend) shows income over 24 hours, with a peak at hour 14. At the bottom, there are three cards: '上月成本消耗' (Last Month's Cost Consumption) with a value of 0, '上月利润' (Last Month's Profit) with a value of 0.00, and '设置' (Settings). The bottom navigation bar has four icons: a lightbulb for '首页' (Home), a magnifying glass for '搜索' (Search), a bar chart for '统计' (Statistics), and a gear for '设置' (Settings).
